

Using Federal Energy Regulatory Commission (FERC)

Description

Explore how the Workiva platform can help you manage your FERC reporting process with ease!

Learning Objectives

- Know what five files the FERC Starter Package contains and the basics of editing forms, supported formulas, and where Roles and Permissions come into play.
- Locate the Assignments, Process Tracking & Notes, Summary Dashboards, Drop Down Menu Assignments and Dashboard Presentation Menu Assignments sections in the Starter Package.
- Interpret what Schedules are as it relates to XBRL in a Spreadsheet.
- Explain how typed dimension allows filers to disaggregate or uniquely identify data.
- Use the Validation Spreadsheet and XBRL Validations to increase quality of data received.
